kavouss Arasteh: (14:19) iTHINK SETTING TIME LIMIT IS TO THE OFFICIAL MEMBERS OF THE GROUP ONLY

Tatiana Tropina: (14:19) I also never heard about 5 minutes rule for this group. Niels if this rule exists could you please be so kind to announce this at the beginning of each call. Thank you very much.

Tatiana Tropina: (14:19) Niels could you please clarify about 5 minutes rule so we end this conversation about timing?

kavouss Arasteh: (14:20) Yes but we could not monopolize the floor

Glenn McKnight: (14:21) perhaps a timer

Glenn McKnight: (14:22) Why is HRIA not spelled out

Collin Kurre: (14:22) ^+1

Niels ten Oever: (14:22) Because it is spelled out earlier in the considerations document

kavouss Arasteh: (14:24) nO PARTICULAR OBJECTIVE

Glenn McKnight: (14:25) i agree the rules should be clear and deployed equally

Tatiana Tropina: (14:25) Niels, I would like a clarification if the rule exists. Thanks.

Glenn McKnight: (14:25) Yes the chair has more access to the mic but not during an open mic

Tatiana Tropina: (14:26) The 5 minutes rule has not been established yet but I got bashed for speaking for more than 5 minutes already. I am considering submitting a complaint because there was a reference to me. I demand clarification if the rule existed before I got bashed.

Herb Waye Ombuds: (14:26) gotta run... violent thunder storms rolling through power flickering, shutting down electronics... may be back.

Tatiana Tropina: (14:30) I was basically asked to give the reasons behind the document and as a feedback I got bashed. This is unacceptable. I wish the chair would make a direct intervention.

Tatiana Tropina: (14:30) What is initial text? Fol? I don't have problems with this.

David McAuley: (14:31) I agree

Tatiana Tropina: (14:31) I am fine with the text that was before public comments. I am not fine with the proposed text on the top of this page as I have no real idea where it came from. But initial text is ok.
