Please find below the Remote Participation details for all the GNSO Open and Public Meetings during ICANN60 in Abu Dhabi from the 28th October 2017 to the 3rd November 2017.

Remote Participation Tips:

There are three means in which to access the audio during ICANN meetings:

- The Adobe Connect room audio, which is STREAMING ONLY, which needs a steady connection.
- The Audio stream which is available on the main schedule, by clicking on the meeting you would like to listen to
- The Audio Bridge, which implies dialing in using your phone, which is the most stable audio connection. To do this, please select a dial in number from the tab below, the audio operator will ask you for an audio passcode which you will find in the meeting information, classified by days in the tables below.
