Previous At-Large IGF 2017 Organizational Committee Call: 30 November 2017

Background

The At-Large Outreach and Engagement SC submitted a ICANN FY18 budget request for At-Large Outreach to be funded at IGF 2017. This was approved by ALAC and submitted to ICANN. ICANN

approved this request, saying

"Two travelers approved (one Outreach Sub-Committee member and one ALAC Member) for travel support to the IGF 2017 Meeting. Granting of support is contingent on: (1) MAG approval of at least one At-Large RALO workshop; and (2) submission of a detailed report from each traveler within 30-days of the meeting that addresses each itemized metric as per request. The report is to be submitted to sbr-outcomes@icann.org and is a condition of future resource allocations. Approved travel includes assumption of economy airfare + four travel days and three hotel nights + per diems appropriate to region traveled."

Several At-Large workshops (including an Outreach and Engagement SC one) were submitted to the IGF MAG for IGF 2017. Several were accepted.

The ALAC Outreach and Engagement SC via Glenn McKnight requested a booth in May 2017 a At-Large at the IGF 2017 from the IGF MAG. This was approved in August 2017. See the booths at IGF 2017 page.
