Amir Qayyum:Hi all. And sorry for joining late.

Silvia Vivanco>Welcome Amir

Yesim Nazlar>Welcome Amir!

Aris Ignacio:Hi everyone! Sorry for being late

Yesim Nazlar>Welcome Aris!

Shreedeeep Rayamajhi:yes Maureen is very right

Jia-Rong Low:Agree Satish. Sounds great.

Aris Ignacio:Great Satish..

Pavan Budhrani:I want to delve deeper in that issue with u maureen

Pavan Budhrani:its a serious issue, we need to address it

Lianna Galstyan:I agree, it's a disappointing aspect

Cheryl Langdon-Orr (CLO):probaly depends who gets the email re the survey and who responds first from an ALS

Bikram Shrestha:Yes.. its right

Satish Babu:+1 Cheryl. Being unable to contact members of ALSes is indeed a limitation...

Satish Babu:Particularly, where ALS leadership changes each year....

Shreedeeep Rayamajhi:I think the good part is the young people are coming in and we can further motivate them to creat better engagement

Amrita:IIA question on the survey : among those ALS s who had not responded,did any representative of them attend the agm ? this will help to understand if they did not read mails are not interested.

Pavan Budhrani:its good we have some ALSes on whatsapp, we need to look at more social media channels to target them

Jia-Rong Low:The survey results are very interesting! Are we posting the results somewhere and can I share some of the takeaways on our next APAC newsletter?

Cheryl Langdon-Orr (CLO):Agree totally with Satish on trying all possible to avoid decertification

Winthrop Yu - Philippines:+1 Pavan

Shreedeeep Rayamajhi:what abt the process of monitoring and updating the community ALS page by icann staff. I think it can be a great tool

Satish Babu:@JiaRong, we will be happy to share the results once the tabulation is complete.

Silvia Vivanco:@ Satish and we will be ready to open a wiki for the survey and post the results

Maureen Hilyard:@Jia-Rong, you can use these snapshot results.. A full report will be out as soon as I can get the info together.

Silvia Vivanco:once tabulation is complete

Pavan Budhrani:yes

Jia-Rong Low:@Satish, Silvia and Maureen - once we have the results on the wiki I will post on the APAC newsletter so we can point people there for more details. Keep me updated pls

Silvia Vivanco:will do Jia Rong

Shreedeeep Rayamajhi:I am interested

Jia-Rong Low:Thanks!

Amrita:I wi be happy to join

Shreedeeep Rayamajhi:for the group

Bikram Shrestha:i am also happy to contribue

Maureen Hilyard:Great

Lianna Galstyan:Thank you all
